

# Soul Love

By Sabrina M. Cummings

My Soul Love  
Too Deep  
Is there no one  
On earth that can handle this love  
That I have to offer the man of my life  
Words are hard to express this love  
It is as strong as  
my Love for GOD  
UNCONDITIONAL  
No obstacles on this earth can stop it  
It's deep  
SOUL DEEP  
I have it to offer  
Can no earthly man can meet the challenge?  
Life's earthly dramas continue to get in the way  
So I pray and wait  
I know I have this love  
At times it brings me to tears  
But I pray that God  
Sends me the man to share this  
Love  
My soul Love  
where are you  
I am waiting  
Soul Love
