

# The Beacon

By Sabrina M. Cummings

Saves  
When you're lost in the night

Patient  
When you just can't wait

Courageous  
When faith is lost

Strengthens  
In times of weakness

A tree of life  
In sickness

Comforts  
In all times of need

Assurance  
In times of uncertainty

Peace  
In turmoil

Grace  
Eternal life

Hold onto the beacon  
You will win the fight  
Faith in the Lord  
All will be alright  
That beacon?  
HOPE
