

There's Never a Pilgrim When You Need One!

By Mark Edgemon

The key to success is being thankful.
But how to do that when you are down,
When you're afraid of what's beyond,
Behind or beside you.

If you are not thankful,
Then how can you ever be appreciative?
And if not that, then how will you know
When you have won!

Peace is success, hope is a win,
That no material thing can compare to it.
What will you take with you when you die?
Nothing, if you don't win...inside!
