Yep,
Uh huh,
Okay,

Did you...
How about...
Maybe...

You already saw it before I hit delete.

What did you think?
Did you follow the advice?
Why didn't I print it?

Oh well,
Such is life.

Stropping edge
For a strapping lad
Trying for a look

First and last
Mirror laughing
Soles showing
Hair still growing
And this is called
Life?

The End
