

# Angel Ascending

By Sabrina M. Cummings

No one knows the day or time  
Only you  
Angel Ascending

Truly blessed we all are  
By only you  
Angel ascending

Spry & Spirited  
When you walked  
Only you  
Angel Ascending

Spoke the truth  
When you talked  
Only you  
Angel Ascending

Going to glory  
to be by his side  
Only you  
Angel ascending

Your an angel now  
Beautiful angel that you are  
Ascend
