

# Lord, It's Getting Scary Down Here

By Sabrina M. Cummings

The world spinning faster than it ever has before  
No one realizes it  
Everything is going out of control.  
-----LORD IT'S GETTING SCARY DOWN HERE

Unusual things happening , that has never happened before.  
People changing, their behavior; their looks;  
everyone is becoming an open book.  
-----LORD IT'S GETTING SCARY DOWN HERE

All unknown is known No secrets allowed anymore.  
See the truth in no time.  
Going from shore to shore.  
It's weird!  
Can't take no more.  
-----LORD ! IT'S A MESS DOWN HERE
