

Wrapped In Romance

By Helen J. Dixon

Wrapped in romance
for an afternoon.
Taking a chance
outside my cocoon.

Surrounded by feelings
safe, I forget.
All my senses reeling
as our lips met.

My love grows,
stays fast, stays true.
As beautiful as a sparrow,
as fresh as the dew.

Remembering how deep
my emotions run.
while embracing, I weep;
We're united, as one.

Wrapped in romance
for an afternoon.
Taking a chance
outside my cocoon.
